

Project Director, North Africa (based in Tunisia)

ABOUT US

Altai Consulting provides **strategy, research, and monitoring & evaluation services in the developing world**. We began operating in 2003 and have since completed over 500+ missions in Africa, the Middle East and South Asia.

Our clients include **governments, donors and their implementing partners, international organisations (the World Bank, the United Nations, the Bill & Melinda Gates Foundation, etc.) and INGOs** looking for both technical expertise and high-level strategic advice.

Altai Consulting has been a **certified BCorp** since October 2021. For more information, please visit our website: www.altaiconsulting.com

As part of its Public Policy Practice, Altai Consulting seeks skilled candidates for a **Project Director position, based in Tunis**.

JOB DESCRIPTION

The project director's role will be to lead complex MERL projects in the North Africa region. The tasks will include:

- Overall project design, timeline and methodology planning
- Management of teams of consultants for data collection and analysis
- Interaction with clients
- Drafting of high-level consulting deliverables and review / quality assurance on deliverables prepared by team members

MINIMUM REQUIREMENTS

- Master-level education from top-ranking universities
- 7 years of experience in the field of international development, for example with donors or implementers, including in MERL functions with personal production of analysis and evaluation reports
- Strong analysis and writing skills
- Residing or willing to reside in Tunisia and engage in work trips in MENA countries (including Libya, Lebanon, Iraq, Jordan)
- Native or professional level in English, written and oral

FURTHER ASSETS

- Arabic language
- Experience on Libya
- Experience on monitoring and evaluation missions for EU and / or UK programs

PROFILE

- Manager with the right balance between assertiveness and flexibility, responsiveness to client needs and care for staff's well-being
- Curious about socio-economic, developmental, humanitarian, and regional Middle East issues

- Autonomous, self-starter, proactive, at ease in a small, flexible structure
- Positive team player, able to propose ideas, open to feedback

CONDITIONS

- Attractive monthly compensation dependent on qualifications and experience
- All costs covered during field trips
